CONFERENCE DETAILS ► **AUGUST 9–11, 2022** ■ **MARITIME CONFERENCE CENTER**
MITAGS, 692 MARITIME BOULEVARD, LINTHICUM HEIGHTS, MARYLAND

The North American Maritime Ministry (NAMMA) annual conference is the most diverse gathering of maritime agencies and port welfare workers in North America. Coming together to discuss timely issues affecting the maritime industry, and more importantly those working on the water, this conference provides opportunity to share information and resources.

NAMMA is a member organization serving more than 55 affiliated agencies who work to serve, protect, and enhance the lives of seafarers and mariners. Although our members are from North America and the Caribbean, the impact of these agencies is global as the maritime represents one of the most diverse workforces on the planet. This is the only major conference of industry professionals, maritime welfare agencies, their chaplains, and volunteers in North America.

“By working together, pooling our resources and building on our strengths, we can accomplish great things.” • RONALD REAGAN
